

## **SF450EN**

**The SF450EN is an easy to use  
and reliable self-contained  
Carbon Monoxide alarm.**

**Designed for use in all domestic environments such  
as homes, caravans and boats.**

**The latest electrochemical cell technology ensures  
complete accuracy and reliability giving a 6 year  
guaranteed life under normal operating conditions.**

**It is officially approved and Kite marked to the  
stringent performance requirements of EN50291  
2001, the European Standard for domestic Carbon  
Monoxide alarms. No maintenance is required for  
the full 6.5 year life of the alarm, with no sensors or  
any parts to replace**
